National Award Winning Excellence

The Associated Builders and Contractors Rocky Mountain Chapter announced that 12 national awards were presented to members during Associated Builders and Contractors' (ABC) 28th Annual Excellence in Construction Awards celebration at ABC Convention 2018 in Long Beach, Calif. The awards presented were for the Excellence in Construction Awards program, National Safety Excellence Awards, and National Diversity Excellence Awards.

"ABC Members and their projects were recognized as being the 'Best of the Best', said Doug Carlson, ABC President & CEO. "Quality, Excellence, Innovation and Merit describe these awards recognizing the Rocky Mountain Chapter members."

National Safety Excellence Award—Safety Award of Merit Presented to Spacecon LLC in New Castle, Delaware

National Safety Awards winners have exemplified an outstanding commitment to safety through training and education programs as well as excellence in all 20 components of ABC's STEP program.

National Excellence in Construction Pyramid Award Winners (2nd Place) Spacecon Specialty Contractors in Colorado Springs, Colorado—UCCS Ent Center for the Arts; Acoustical, Drywall, Millwork or Plaster

The Excellence in Construction awards program is the industry's leading competition that honors both general and specialty contractors for innovative and high-quality merit shop construction projects. The award honors all construction team members, including the contractor, owner, architect and engineer. The winning projects, selected from entries submitted from across the nation, were judged on complexity, attractiveness, unique challenges, completion time, workmanship, innovation, safety and cost.
