# Giving Back To Our Community

This past spring, Spacecon West partnered with Colorado State University's CM Cares Program, to give back to our community.

The Mochan Family went through a tragedy where both parents passed away and left three school aged children behind, Jason 14, Ashlee 12, and Dylan 10. The children are now living with their aunt and uncle in Fort Collins, Colorado.

Spacecon volunteered to complete the drywall and finishing portions of the project. This included three bedrooms, a living room, mudroom and assisted with the bathroom remodel.

The finishers spent the weekend finalizing the scope of work to turn the basement over.

***A special thank you to all those that volunteered!***

Drywall Hangers: Gilberto Vigil, Jesus Lara, Gilberto Almaguer, Fernando De Loera, Pedro Sandoval, German Aleman, Ignacio Zamarrón, Alfredo Salinas (JR), Cayetano Fuentes and Fernando Villegas.
