Spacecon Submits Projects for ABC Excellence in Construction Awards

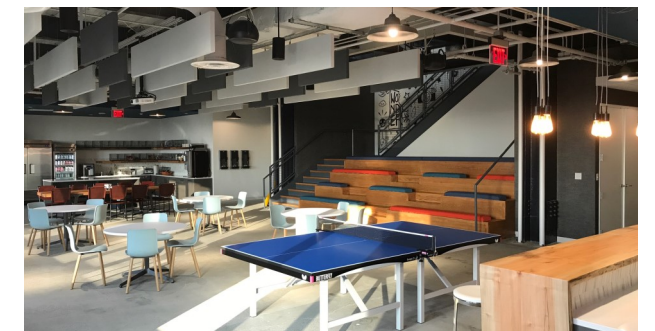

Our Spacecon team has done it again! We are honored to have submitted two of our projects to the Associated Builders and Contractors, Inc. (ABC), for the 2017 Excellence in Construction Awards.

“We are able to enter these projects because our team is dedicated to providing quality craftsmanship and reliable production and expertise,” said Robert Yelinski, Spacecon Region President.

Spacecon East submitted the Archer Group Fit-Out to the ABC Delaware Chapter.

Spacecon West submitted the Center for the Visual and Performing Arts at the University of Colorado at Colorado Springs to the ABC Rocky Mountain Chapter.

Both projects were extremely detailed in nature and challenged our employees in the estimating, design and building of these construction projects.

3rd Qtr Safety Activities

- OSHA Silica Training
- Aerial Lift Training
- OSHA 10 Hour Course

Grand Prize Announced for “Name the Newsletter” Contest

“The Grand Prize will be a **42” Flat Screen TV** and the winner will be announced in our fourth quarter Newsletter,” said Robert Yelinski, Spacecon Region President. **“You may still submit ideas for a name by October 31, 2017.”**

(Please submit all suggestions on paper to your foreman or superintendent, or e-mail Belinda Seale at bseale@spacecon.com in the West or Nora Weder at nweder@spacecon.com in the East. Be sure to include your name and phone number!)

Spacecon East Highlights

Employee Spotlight

~Our employees are the cornerstone of our success~

Frank Foots has been a respected employee since 2013. He currently serves on the East as Foreman at the Campanella Auto and Tire Center.

"I recently appointed Frank as the Foreman for this project. I knew there would be a lot of details that needed to be figured out and Frank is very good at reading the prints and finding mistakes," commented Donovan Wierzbicki, Field Operations Manager for the East.

"He assisted our crew and the General Contractor throughout our construction process and was invaluable to us," stated Wierzbicki.

Safety Highlights

(continued from Page 1)

These past few months have been very busy in our Safety Training department.

Spacecon has held training on the new OSHA Crystalline Silica Standard at both the East and West locations.

"We have prepared our employees to understand the importance of the use and handling of silica, said Jesús Valadez, Spacecon Safety Coordinator.

"We are also planning on expanding our Safety Team in the near future," added Valadez.

Spacecon West Highlights

Employee Spotlight

~Our employees are the cornerstone of our success~

Quint Kurtz is from the West and recently celebrated 20 years with Spacecon. Quint is the Warehouse Manager and oversees all locations for the West. Quint is one of the few people that is involved with almost every project from the very beginning.

Quint has revolutionized the operations of the Warehouse and Purchasing and is an inspiration to his employees.

"I've known Quint for eighteen years and watched him go from Tool Repair Mechanic to Warehouse Manager. He's very hard working and knowledgeable," commented Bobby Adams, Warehouse Driver, as he reflected over the past years spent with Quint.

"Any problems you may have he's willing to help and he keeps his employees well informed. A pleasure to work with and for," said Adams.

"A very good boss; very dedicated to his work and he helps us with everything. He respects us, supports us and appreciates us," Commented Jorge Ordonez, Warehouse Driver, in a recent interview.

The Stonebridge Hotel "Spacecon is pleased to be part of the Turner Construction team for the Stonebridge Hotel, an 8-story luxury hotel in downtown Cherry Creek," declared Scott Mansfield, Operations Manager.

"The Hotel will feature 201 guest rooms, 6,900 SF of meeting space, a rooftop bar and cabana area and a 75-foot lap pool that will have an incredible view of the Rocky Mountains," stated Jason Kuechle, Project Manager. Randy Croghan was the Estimator and worked diligently to secure this unique project.
