# Farewell to Dale and Quint

After a combined 56 years of service, we say thank you and best of luck to Dale Holling and Quint Kurtz. Both had their last day June 30th.

Quint has been apart of our team for 26 years and we thank him for his impeccable service and wish him the best of luck as he starts his own business.

His knowledge, expertise and friendship will be greatly missed. Please take a moment when you see him to congratulate him on his successful career with Spacecon and best wishes on his new endeavors.

These two gentlemen combined have 56 years of service with Spacecon Specialty Contractors (Dale 30, Quint 26). Two of the most dedicated and talented individuals we have had the pleasure to work with.

Both Quint and Dale have been instrumental in many of Spacecon Specialty Contractor's successes and will be truly missed but I wish both of them the best of luck in their next life journeys. – Kevin Emerson
