United Way Backpack Program

General Contractor PCL at Altru Hospital in Grand Forks, North Dakota partners with United Way's backpack program. United Way's **Backpack Program** fights to end childhood hunger by providing food in students' backpacks to feed them for the weekend. A donation can help provide up to six meals, two snacks, and two drinks for kids who need a bit more help and hope when they are away from school. Together, we are ensuring no child goes hungry in the Greater Grand Forks region. Our team at Altru collected multiple requested donations and delivered to participate in this very important event.

Living Spaces Opens in Thornton

Living Spaces is a furniture retailer with 40 stores and distribution centers across California, Colorado, Arizona, Nevada, Utah, Oklahoma, Kansas and Texas. In 2003, Living Spaces opened its first store. Three years later, the company's flagship store and corporate headquarters opened; over the course of ten years, ten more furniture stores were opened in Southern California, Northern California, and Arizona. Each location offers a wide array of tasteful vignettes designed to amaze and inspire. Walk through our neatly organized showroom and shop for every room of the house. See how our interior design experts style chic pieces and artsy accessories for the bedroom, dining room, living room, and outdoor areas.

Recently the Thornton location opened where we first tested out the drywall saw. The store has 4 houses bought within the large building showcasing different designs and thoughtful staging to share how to showcase design within your own home. The finishes especially around the corners and pillars are truly flawless and look beautiful within the finished space. Next time you are in the Thornton area stop and take a look at the very large and gorgeous work our team completed at Living Spaces.

PRIZES GALORE!

Bring your money to buy your raffle tickets.
 This year's raffle proceeds will support the Ralston House

The Ralston House is a not-for-profit agency that provides a friendly and safe place for child and teen survivors of abuse to tell their stories and begin the healing process. Founded in 1990, Ralston House receives referrals from law enforcement, social services and the district attorney's office, and works in conjunction with these entities to provide specialized forensic interviews and medical examinations.

We will be donating to Care & Share:
 Please bring your donations to your jobsite, office or to the party.
