- Food Drive and Ralston House Charity
- Scott Mansfield Promotion Announcement
- Holiday Party 2023
- Employee Service Awards

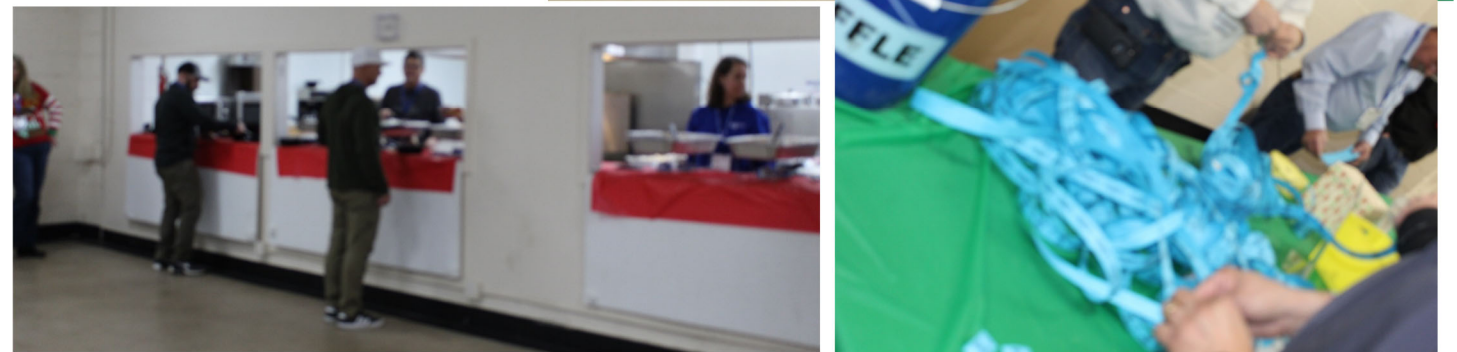

At Spacecon Specialty Contractors (SSC), we believe in the power of community and the impact that collaboration can have on making our local area a better place. During our recent annual food drive for the Care and Share Food Bank, the SSC team collected and donated 3,684 pounds of food. Care and Share has been a beacon of hope and support for countless individuals and families throughout Colorado, and SSC is proud to stand alongside them in their mission.

Spacecon Specialty Contractors largest fund raiser of the year provides help to local charities. This year's raffle recipient is the Ralston House in Arvada Colorado. The Ralston house is a not-for-profit agency that provides a friendly and safe place for children and teen survivors of abuse to tell their stories and begin the healing process. Child Advocacy Centers are designed to reduce trauma to children who are suspected of being physically or sexually abused or who have witnessed a violent crime by bringing together professionals (multi-disciplinary team (MDT)—members of an investigation including human services, police and district attorneys) into one location for a single interview instead of a child be interviewed by each member of a MDT on different occasions; an approach that risks retraumatizing an already vulnerable child. Together, Spacecon and their employees collected over \$4,500 to help such a worthy group that has a very difficult job. For more information, please go to www.ralstonhouse.org.

Spacecon 2023 Holiday Party

2023 Closed out Strong at our Annual Holiday party, with a special appearance from Devon Liddell. Devon arrived on the snowy day ready to mingle and serve. We spent the time reviewing jobs from the past year, eating great food, and raising money to support the Ralston House, a wonderful foundation within our community. Oh and don't forget all the raffle prizes that were won! Thank you to our leadership team and all our vendors for your gracious donations and showing up to hang out.

Scott Mansfield Promotion Announcement

It is with great pleasure that we announce the well-deserved promotion of Scott A. Mansfield to the position of President of Spacecon Specialty Contractors LLC. Over the course of Scott's 17-year career with Spacecon, he has consistently demonstrated excellent project management skills, operational efficiencies, and a commitment to continuous improvement. Scott has proven his ability to safely navigate diverse markets as well as manage supply chain and labor availability challenges. Scott's special attention to detail has helped lead Spacecon through some especially complicated projects. His commitment to safety, innovation, and quality has been exceptional. Please join us in congratulating Scott as he assumes the responsibilities of his new role. I have confidence that his experience, leadership, and unwavering dedication will allow him to build on Spacecon's success well into the future. - Bob Yelinski, President/COO, Spacecon Contracting Group
